Dear Mohawk Fans,

The 2010-2011 school year will soon be approaching and we are anxious to have you renew your membership or join the Mohawk Athletic Booster Club. The Booster Club is a key player for all Mohawk Athletic Teams – and you, as a Booster Club member, to continue helping give Mason City High School student-athletes many opportunities.

The Century Club Fund Drive is the main fundraiser for the Booster Club. The majority of the funds are used to aid in transportation of the athletic teams. We also purchase team uniforms, continual improvement of our weight room and various other requests by our athletic coaches and teams.

The student athletes of Mason City High School appreciate your commitment and contribution to their sports programs! Come out and support the Mohawks against some of the best competition in the state.

THANK YOU for your participation and generosity!

Amy Stoeffler & Toni Erickson
2010-2011 Co-Chairpersons of the Century Club Fund Drive
